Welcome to the club. They banned my account as "hateful" for telling a tranny that the mentally ill don't define reality for me and posting screen shots from 2 biology books about how X and Y chromosomes work in mammals.

Puts you in good standing. My daughter is gay and she argues with the gay activists. The acticita do not represent the gay population. In fact the gays I've met represent a broad spectrum of political ideas. Sad that Leftist need everyone to fit into some predefined identity box, complete with all the ideas you are allowed to have.

Thank you. At first I started feeling bummed about having my voice stripped away and now friends on Facebook giving me the silence treatment for anything slightly pro Trump/conservative. But you know what? Fuck 'em, I don't care anymore and I don't need those shitty platforms. Right here at .Win is where it is happening, and that's all that matters.

No worries Pede. Hope to see you in DC on the 6th. Stay strong. It will never be over! I learned that from the Lefties.
